### Excellent Stay

Fabulous hotel, got a very good experience staying here. Food, service everything was perfect during this covid-19 period. All working staffs were very friendly and convenient, a special thanks to Rohit for every service he did. I had a very safe and secure stay.

### A complete Business Hotel Experience

I stayed for 5 days at this hotel. It's having all required amenities and comfort. Very courteous staff, especially Ms Lakshmi, who ensured quick response to our queries. We had nice and comfortable stay, good breakfast menu. Very reasonable laundry charges. Just perfect for any business traveler.

### Excellent stay at Ginger Midc Andheri Mahakali Caves

"I had a 3 days stay at Ginger Hotel MIDC... I really liked the hotel in all aspects.. It's an excellent budget hotel with good facilities. The rooms are very spacious, clean and I interacted with almost all the staff and they were very supportive. I have to appreciate the fact that they have been working in challenging environments & they are doing a wonderful job. They are highly professional and good in their respective jobs. I always got a good service from them when needed. I would specifically like to thank Krishna Priya Jha, Bopey, Sanjana Hela, Ismail, Milind, Sandeep, Sagar.etc.. overall entire team of Ginger Hotel MIDC. Also, the restaurant is simply the best. They provide the best food in the world. One cannot ask for more and their service is excellent. Would..."
